

Earning Log

Site: Qmee

Release: October 7, 2016

Date	Balance	Gain	Earning Notes
September 30	\$4.71	From prior day	Computers Used: 1 - Windows 7 - 512MB of RAM
October 1	\$5.10	\$0.39	Not a bad day - looking back, it is one of the best - most likely because Saturday
October 2	\$5.45	\$0.35	Sunday was a pretty good day too
October 3	\$5.67	\$0.22	Monday is a bad day for Qmee perhaps? Didn't pick up until evening
October 4	\$5.96	\$0.29	Another half-decent day, better than Monday
October 5	\$6.27	\$0.31	\$.30, earning strong in morning and died down
October 6	\$6.63	\$0.36	predictable amount here, bit better than usual
October 7	\$6.90	\$0.27	Appears to be a constant \$.30 - \$.40 a day with Qmee
Total:		\$2.19	General Notes: Qmee searching is not going to make you much, but it is in my routine. It will make me about \$10 a day currently. The searches were performed throughout the day and did not continue at night. The word list can be found in the website post about Qmee. The word list may be revised to try and attract bigger numbers.
Average:		\$0.31
